About this event
Event lasts 11 hours

NYC MEAL PACK FOR 9/11 DAY:
In NYC, 6,500 volunteers will come together at the Intrepid Museum to pack 2 million meals for people experiencing food insecurity in the local community. The meals will be donated to City Harvest and the Food Bank For New York City. Nationwide, more than 30,000 volunteers will pack 9 million meals for those at risk of hunger in America.

ABOUT 9/11 DAY:
9/11 Day is the nonprofit organization that created and annually organizes the federally recognized September 11 National Day of Service & Remembrance.

Our mission is to inspire millions of Americans and others to rekindle the remarkable spirit of unity and compassion that arose in the immediate aftermath of 9/11, and to perform good deeds and other acts of service in tribute to the 9/11 victims, survivors, first responders, and members of our military who bravely rose in service in response to the attacks.

2. Next, you'll be directed to a page where participants can select their ticket. If your company is participating in multiple shifts, all available shift options will be listed on this page.
